Rio Yachts Daytona 50

DESCRIPTION

a 'walkaround' layout with a central console, generous space on board thanks to a limitless cockpit, safe ease of movement on deck, and a design focused on conviviality, pleasure and relaxation.

This 15-metre boat offers remarkable recreational performance, with a top speed in excess of 40 knots. It can be equipped with 3 outboard engines or 2 inboard diesel engines.

Outboard version :
3 x 400 VERADO (joystick, auto pilot and virtual anchor standard)

Inboard version :
2 x D6-440
2x CUMMINS QSB 6.7 550 hp x 2
