BENETEAU GT 40 - 2019

NEW LISTING : our splendid Beneteau GT 40 from 2019, ready to offer you unforgettable experiences at sea. Take advantage of a range of services tailored to your needs: management, berth, company formation, financing... don't hesitate to get in touch! Equipped with the most powerful engine option available, featuring two Volvo Penta D6 engines of 370 HP, this unique model has only logged 300 hours of navigation, showcasing its excellent condition. With two cabins and a bathroom, the Beneteau GT 40 combines comfort and practicality for relaxing cruises. The interior has been thoughtfully designed: a bench replaces the cockpit furniture to optimise space, while a 50L refrigerator keeps your drinks within reach. The Lounge 2019 finish adds a touch of elegance, complemented by a Fusion audio pack for unparalleled moments of relaxation. Enjoy an adjustable front sunbathing area and a chic sport pack for a comfortable and stylish navigation experience. With its Garmin VHF, Garmin GPS with AIS, and autopilot, this boat ensures smooth and secure navigation. A WiFi module, cockpit closure, and electric bathing platform enhance your onboard experience. Underwater lighting and fuel-fired air heating guarantee comfort and ambiance during your evening outings. The convertible saloon and TV promise convivial moments with family or friends. Well-maintained and ready to set sail, this elegant yacht is also fully VAT deductible. Don't miss the chance to make this Beneteau GT 40
