Rio Yachts Parana' 38

DESCRIPTION

A name, a guarantee. In the wake of the models that have made the history of the shipyard, RIO YACHTS S.r.l. is writing a new chapter in the range renewal program announced in 2011 on the occasion of the fiftieth anniversary.

The company, against the prolonged stagnation of the economy in general and the nautical sector in particular, is sending a strong signal: a novelty that expands its range of boats in the 10 - 20 meters segment: the "Paranà 38".

Summer 2015 will see the debut of the "Paranà 38", which opens the way to a new line. The name, as we know, is that of the famous wooden model of the 60s. The "Paranà 38" marks a return: after COLORADO (a line of elegant and innovative hard tops) and ESPERA (a line of pure open tops with an unmistakable style), the PARANÀ€ is born, a sporty and impetuous soft top.

"Paranà 38 is a 12-meter boat with a sporty style and innovative design. It is a well-equipped, well-kept and practical boat that promises to become a leading model in its category. High degree of satisfaction. As tradition dictates, RIO YACHTS S.r.l. is the perfect balance between internal and external spaces where nothing is left to chance.
