Cayman F920

3 650 000 € VAT included

DESCRIPTION

Discover M/Y Cecilou, built by Cayman Yachts and launched in 2018, crafted with Italian style, performance, and comfort. Measuring 27 meters (88') in length with a generous beam of 6.6 meters (21'), she draws inspiration from a Sanlorenzo hull, combining sleek exterior lines with spacious, luxurious interiors. Built with a lightweight and durable GRP hull, Cecilou reaches speeds of up to 33 knots and comfortably cruises at 25 knots, powered by her twin MTU 16 V 2000 M96L engines with impressively low hours at only 260h. Designed for maximum guest enjoyment, Cecilou boasts a spacious flybridge and folding balcony, ideal for panoramic views and outdoor leisure. Inside, she accommodates up to eight guests across four cabins, including a Master suite, a VIP cabin, and two Double cabins. Her Seakeeper Gyroscopic Stabilizer system ensures stability for smooth cruising, while her Marshall Islands flag offers international flexibility for charter or private use. With only one previous owner, Cecilou has been impeccably maintained, showcasing her pristine condition. She is available for inspection located in Beaulieu-sur-Mer, France. VAT Paid.
