Description

The Saffier SE 24 Lite is a 7.30 m sailing yacht that is ultra-fast, easy to handle, and a true pleasure to sail. This daysailer is powered by both wind and electricity. Its electric propulsion system is recharged 24/7 by integrated solar panels. Easily transportable, the Saffier SE 24 Lite can be launched from a trailer ramp or lifted by a single lifting point. Fast, fun, and perfectly balanced, this daysailer delivers pure sailing enjoyment. The Saffier SE 24 Lite offers an outstanding sailing experience. It can be pushed to its limits single-handed, accelerates quickly, and glides effortlessly over the water. Whether you're enjoying a quick outing with family or friends, it adapts to every need. This yacht was even awarded the title of European Yacht of the Year 2024. Discover the new Saffier SE 24 Lite.
