Saffier SE 27 Leisure

Description

Saffier SE 27 Leisure – Pleasure, Performance and Simplicity

The Saffier SE 27 Leisure is a new sailing yacht designed to deliver sporty sensations with exceptional ease of handling. True to the philosophy of Saffier Yachts, it combines modern design, refined finishes, and cutting-edge technology dedicated to performance. With its generous sail plan and sleek hull, the SE 27 Leisure provides instant enjoyment—whether for a spirited outing with friends or a relaxed sail with family. The ergonomically designed cockpit, created for intuitive use, allows for effortless single-handed sailing while offering a convivial and elegant space. Versatile and accessible, this premium dayboat strikes the perfect balance between sportiness, style, and comfort, delivering remarkable performance with minimal maintenance.
