DESCRIPTION

Sogica 47 Openbridge for sale in Monaco. 2009 model, twin Volvo IPS 600, 830 hours, 2 cabins, generator, A/C, hydraulic platform, great condition.

The Sogica 47 Openbridge perfectly embodies the balance between Italian style, performance and comfort. Powered by twin Volvo Penta IPS 600 (D6 – 435 hp) engines with only 830 hours, she delivers smooth handling, quiet operation and outstanding manoeuvrability — ideal for cruising the Mediterranean. Her elegant interior layout includes two cabins with ensuite bathrooms, a convertible saloon, air conditioning and a generator, offering all the comfort needed for longer stays on board. The hydraulic bathing platform and tender garage — complete with an electric-powered tender — enhance both usability and leisure at anchor.

Beautifully maintained and presented in excellent condition, this Sogica 47 Openbridge combines modern lines, sporty character and a timeless Italian touch. Visible in Monaco and available immediately, she is offered exclusively by ALL YACHT MONACO, specialist in luxury yacht sales and brokerage on the French Riviera.
