Description

PRINCESS S65 – 2019 This Princess S65 is a striking example of one of the brand's most popular sportbridge models, blending performance, comfort, and timeless British design. Powered by twin MAN V12 1400 hp engines, she reaches an exhilarating top speed of 38 knots and cruises smoothly at 28 knots. Designed for seamless indoor-outdoor living, her spacious aft cockpit flows effortlessly into the bright main salon through large sliding glass doors, creating an inviting and social atmosphere. The flybridge offers an additional dining area, sunbeds, and a fully equipped outdoor galley, perfect for entertaining at sea. She accommodates up to eight guests in four beautifully appointed cabins, including a full-beam master suite with private en-suite bathroom. Equipped with a gyroscopic stabilizer, a hydraulic bathing platform, and luxurious Princess interior finishes, this S65 offers the perfect balance between sporty performance and refined comfort.
