DESCRIPTION

MOTOR YACHT FOR SALE LADY IN BLUE (41.07M / 135') Italian motor yacht built by Clemna and Rossi Navi Shipyard for a European owner. Impeccably maintained and comprehensively refitted in 2024, she is now presented in true turn-key condition. Designed by Cusumano Engineering and launched in 1999, LADY IN BLUE combines timeless Italian craftsmanship with contemporary sophistication. Her steel hull and aluminium superstructure provide exceptional comfort and stability. Her elegant interiors, redesigned by Dada & Associates, blend warm woods and refined textures with a modern Mediterranean flair. Expansive decks create a seamless flow between indoor and outdoor living, offering multiple social areas across all levels – from the generous aft deck to the sun-filled upper terrace complete with dining for ten, a bar, and a large sunlounge.

LADY IN BLUE accommodates ten guests in five staterooms, including a full-beam Owner's suite, two doubles and two twins, all finished to a high standard. The yacht also features crew quarters for seven, ensuring discreet and professional service at all times.

Powered by twin Caterpillar engines and equipped with new 70 kW Kohler generators, she cruises efficiently at 12 knots with a maximum speed of 15 knots and a range of 2,300 nautical miles. Her full-displacement hull, stabilizers at anchor, and renewed technical systems guarantee quiet, vibration-free comfort in all conditions
