## Description

---

FJORD 40 OPEN 2020 — VOLVO PENTA IPS D6 960HP — JOYSTICK — 280 ENGINE HOURS — MONACO This 2020 Fjord 40 Open is an 11.99-metre open day cruiser designed and built by Norwegian shipyard Fjord Boats. Powered by twin Volvo Penta IPS D6 engines delivering a combined 960 HP with joystick docking control, she combines performance, manoeuvrability and the fuel efficiency characteristic of IPS propulsion in this category of open motor boats. With 280 engine hours and a recent service completed, she presents in good mechanical condition and is available for immediate use. Used exclusively as a private owner's vessel since her launch in 2020 and never operated for charter or rental, she presents an overall condition consistent with careful private use. The Fjord 40 Open is well regarded in the Mediterranean market for the quality of its finish, hull rigidity and efficiency of its day-oriented deck layout. A generous cockpit, fore and aft sun loungers, and a forward cabin sleeping four compose an arrangement suited equally to day trips and overnight stops in the Mediterranean. Based in Monaco, this 2020 Fjord 40 Open is available for immediate viewing. At €385,000 tax included, she is competitively positioned within the pre-owned premium open day cruiser market for 11-13 metre IPS-powered vessels.
