DESCRIPTION

JEANNEAU LEADER 36 - 2015 The ultimate sporty and versatile day-cruiser Discover this magnificent Jeanneau Leader 36 from 2015, an 11-meter motor boat that perfectly combines sporty performance, comfort and exceptional maneuverability. This day-cruiser embodies the Leader spirit: elegance, efficiency and daily navigation pleasure.

POWERFUL PROPULSION Powered by 2 Volvo Penta D4-300 engines developing 600 horsepower in total, this Leader 36 offers dynamic performance and sporty navigation while maintaining reasonable fuel consumption. With approximately 1100 hours on the clock, these reliable and robust engines are ready to offer many years of navigation.

Volvo Penta Joystick Option: maneuverability is taken to its highest level thanks to the joystick system which allows precise and effortless docking, even in the most demanding harbors. A true revolution for port maneuvers.

RECENT MECHANICAL MAINTENANCE This Leader 36 benefits from rigorous maintenance with heat exchangers replaced in 2024, guaranteeing optimal thermal efficiency and engine longevity. The stainless steel propellers ensure performance and durability, demonstrating the care given to this boat.

DESIGN & SPACES Exterior: The Leader 36 captivates with its sporty and dynamic lines by Jeanneau. The spacious cockpit offers multiple living spaces with a comfortable exterior saloon, generous forward sunbathing area and swimming platform with stainless steel ladder for easy water access. Wide walkways facilitate circulation and maneuvers in complete safety.

Interior: The interior layout reveals a bright and welcoming space. The saloon features a convertible dinette and equipped galley with refrigerator and cooktop. The forward cabin offers a comfortable double berth, while the separate bathroom includes marine toilet and shower. Storage is abundant and intelligently distributed.

EQUIPMENT & TECHNOLOGIES Navigation: Navigation electronics include a new GPS, depth sounder, VHF and all necessary instruments for modern and safe navigation. The ergonomic helm station offers excellent visibility and optimal driving comfort. Maneuvers: The bow thruster combined with the Volvo Penta joystick makes this boat exceptionally maneuverable. Port maneuvers become a real pleasure, even for a solo skipper on board. Comfort: The boat features an electric windlass, deck shower, sun awning, protection covers and audio system. All equipment is present to fully enjoy every outing at sea.

VERSATILITY & PERFORMANCE The Jeanneau Leader 36 is the ideal companion for sporty day outings with family or friends, weekend getaways, anchorages and swimming in the most beautiful coves, dynamic coastal navigation, or discovering new horizons in complete freedom.

KEY FEATURES A versatile 2015 day-cruiser in good condition with approximately 1100 engine hours, powered by reliable Volvo Penta D4-300 engines totaling 600hp. Volvo Penta joystick and bow thruster for exceptional maneuverability, heat exchangers replaced in 2024 guaranteeing mechanical reliability, and stainless steel propellers for performance and durability. New GPS and complete electronics, sporty design and optimized spaces. Ready to sail immediately. This Jeanneau Leader 36 represents an excellent opportunity to acquire a high-performance day-cruiser, well maintained and equipped with the joystick system that greatly facilitates maneuvers. A perfect boat to enjoy the sea with complete peace of mind. Available for viewing and sea trial. The combination of the power of the Volvo D4-300 engines, joystick and bow thruster makes this Leader 36 a particularly pleasant boat to pilot, accessible and reassuring, even for less experienced skippers.
