Description

SAFFIER SE 38 LEADER – New

The sporty daysailer that takes the helm
The Saffier SE 38 Leader is the ultimate expression of the Saffier Elegance philosophy: a sailboat designed to dominate, whether close-hauled or broad reach. With its 11.55-meter hull, modern lines, and vacuum-infused fiberglass construction, the SE 38 Leader is built for sailors who want to push the limits without ever sacrificing the joy of sailing.
PERFORMANCE Responsive from the first gusts, stable in choppy conditions, and explosive downwind—the SE 38 Leader delivers performance worthy of a true racing yacht, with the handling and comfort of a high-end daysailer. All lines are routed below deck directly to the helm station, for a clean cockpit and smooth sailing, whether single-handed or with a crew.

SPORT SAILING
Racing mode: high-performance genoa + gennaker on spinnaker boom
Fast cruising mode: self-tacking jib + Code Zero on furler
Carbon boom available as an option for even greater responsiveness
AVAILABLE OPTIONS Configure your SE 38 Leader according to your sailing plans:
Carbon rigging (mast + spreaders)
Standard, shoal, or racing draft
Twin steering wheels
Electric (standard) or diesel (same price) propulsion
