98 000 € VAT INCLUDED

## Description

---

JEANNEAU CAP CAMARAT 9.0 WA - 2018 French sporting elegance  
Discover this superb Jeanneau Cap Camarat 9.0 WA from 2018, a 9-meter day-cruiser that embodies the Cap Camarat range spirit: performance, versatility and Mediterranean elegance. Its walk-around layout allows free circulation all around the cabin, offering maximum accessibility.

**PROPULSION & PERFORMANCE** Equipped with powerful engines, the Cap Camarat 9.0 WA ensures excellent seakeeping thanks to its deep V hull designed by Michael Peters. The available power allows comfortable cruising speeds while maintaining controlled fuel consumption.

**SPACES & AMENITIES** The vast forward sunbathing area can comfortably accommodate several people. The central cockpit offers a modular space with U-shaped bench, removable table and numerous storage compartments. The generous aft platform with stainless steel ladder facilitates water access. The interior reveals a bright cabin with V-berth double bed, complete bathroom with toilet and shower, and equipped galley with refrigerator. Numerous portholes and panoramic sunroof flood the interior with natural light.

**EQUIPMENT** Modern navigation electronics include GPS/chartplotter, depth sounder and VHF. The boat features electric windlass, deck shower, telescopic swim ladder, bimini sun awning and Bluetooth audio system.

**EXCEPTIONAL VERSATILITY** The Cap Camarat 9.0 WA excels in all areas: day outings for up to 10 people, extended weekends, sport fishing, water sports and diving, or comfortable coastal cruising. This Jeanneau Cap Camarat 9.0 WA from 2018 represents the perfect balance between sportiness and comfort. A modern, well-equipped boat ready to provide wonderful Mediterranean adventures.
