DESCRIPTION

Dufour 470 – 2022 Elegance, Versatility and Innovation The Dufour 470 is one of the flagship models of the Dufour shipyard, combining contemporary design, premium comfort and remarkable sailing performance. Its sleek hull and elegant lines make it a pleasure to sail, whether for family cruising or more spirited sailing.

The 2022 model presented here is exceptionally well-equipped, offering an outstanding level of finish and autonomy—perfect for all cruising programmes, from coastal trips to extended voyages. Modern and High-Performance Design The infused hull, balanced volumes and smart deck layout create an ideal combination of stability, performance and ergonomics. The classic rig with fully-battened Dacron mainsail and self-tacking jib ensures easy handling, while the integrated bowsprit and complete deck hardware allow optimal sailing in all conditions. This Dufour 470 is equipped with a furling Code 0, asymmetric spinnaker fittings and a comprehensive winch setup including an electric T50 roof winch, two T50 coaming winches and two T50 steering winches for the German System. Exterior: Space, Ergonomics and Outdoor Living True to Dufour’s DNA, the cockpit is spacious, comfortable and designed for conviviality. This model benefits from a very complete equipment list:

- Natural wood cockpit benches and aft seats
- Teak cockpit floor
- Large cockpit table with storage
- Sunbathing area
- Cockpit cushions with backrests and aft seat cushions
- Cockpit bimini
- Companionway sprayhood with handrail
- Hot and cold cockpit shower
- Electric swim platform with remote control
- Stainless steel swim ladder
- Outboard engine bracket
- 2000W electric windlass with remote control and chain counter

Deck circulation is smooth and secure from the companionway to the bowsprit, making manoeuvres simple and safe. Interior: Light, Comfort and Refined Finishes The interior is bright and inviting, thanks to large hull windows and overhead glazing. The Boston interior ambience paired with Millenium finishes enhances the refined, modern atmosphere. Interior configuration:

Galley equipment:

- Forward-facing galley
- Three-burner stove with oven
- Microwave oven
- Wooden wine rack
- Refrigerator and 55L freezer
- In the cockpit: gas plancha, sink and top-loading fridge (Adventure Pack)

Autonomy and Onboard Comfort Designed for long-distance cruising, this Dufour 470 offers excellent autonomy and onboard systems:

- Aquabase 120 L/h 12V watermaker
- 580W solar panels installed on the bimini
- 3000W inverter
- 90A battery charger
- 220V outlets in cabins and saloon
- 40L water heater
- Electric seawater pump
- Automatic shower pumps
- 220V air conditioning in the saloon

Electronics and Navigation Fully equipped with the Sailing Electronic Pack, including:

- Raymarine Axiom 12+ GPS
- Speed, depth, wind system with dual I70 displays (port and starboard)
- Ray63 VHF
- AIS
- Autopilot with dual P70 control displays
- LED navigation lights
- Wheel and cockpit table covers

Engine and Manoeuvrability

- Folding four-blade propeller
- Bow thruster
- Flat-deck furling system
- Classic mast with lazy bag and lazy jacks
- Mainsail track on the coachroof
