RIB-X eXige 760 Phaeton

45 000 € VAT INCLUDED

Description

RIB-X Exige 760 Phaeton for sale – 2013 – Mercury 250 HP – VHF / Fusion / Garmin – Pre-owned RIB RIB-X Exige 760 Phaeton for sale, a 7.60-meter pre-owned rigid inflatable boat built in 2013 by RIB-X, well regarded for its GRP hull quality and durable inflatable tubes. This RIB is currently available and can be viewed upon request.

The RIB-X Exige 760 Phaeton is one of the most accomplished semi-rigid boats in its category, combining nautical performance and on-board comfort thanks to its Phaeton center console, sheltered helm station, and well-thought-out layout. Versatile and seaworthy, it is equally suited to family outings and fast transfers between ports and anchorages along the Mediterranean coast. This RIB-X Exige 760 is powered by a Mercury 250 HP outboard engine, delivering dynamic performance and excellent responsiveness at the helm. Together, they make for a fast, reliable, and enjoyable boat to handle, whether on coastal or offshore passages. The onboard electronics are complete and fully operational: a VHF radio ensures communication in all conditions, a Fusion audio system provides comfort on board, and a Garmin chartplotter offers GPS navigation, digital mapping, and real-time route tracking — a coherent and modern setup for confident navigation. This RIB-X Exige 760 Phaeton represents a strong opportunity in the pre-owned RIB market in the 7 to 8-meter range, where the combination of a powerful engine, quality electronics, and a reputable manufacturer is increasingly sought after. Viewings can be arranged by appointment.
