

SALE OCCASION

Beneteau First 30 JK

82 000 € VAT INCLUDED

Description

Bénéteau First 30 JK — 2013 For sale — Monaco — €82,000 (VAT paid)
The First 30 JK is one of the most accomplished racer-cruisers of her generation. Designed by Juan Kouyoumdjian, with twin rudders and tiller steering, she pairs a lively, rewarding feel under sail with a fully fitted interior suited to family cruising. This example is a well-cared-for unit, Monaco-registered since 2015, VAT paid and free of lease or encumbrance.

Ready to sail At 9.81 m with a 21 hp Yanmar 3YM20 on sail-drive (approx. 700 hours, around 3 l/h consumption), she is available for immediate coastal cruising or racing. All halyards and sheets are led aft to clutches in the cockpit, served by four Harken two-speed self-tailing winches. Dyneema halyards and sheets renewed in 2024. An exceptional sail wardrobe: two complete sets This is the boat's standout asset. The primary Delta Voiles set (2018) includes a 35 m² cruising mainsail with reduced square head, tri-radial cut in DCX laminated polyester, full-batten with five battens and three reefs, together with a 29.51 m² furling genoa on a Vortex system featuring double tri-radial cut, battened leech, luff hollow compensation and UV strip. The original North Sails set (full-batten Dacron main and medium genoa) remains available as a second wardrobe. Also included: an as-new asymmetric spinnaker with snuffer, a Delta Voiles Code D on a Karver furler in very good condition, and an unused storm jib — a sail inventory rarely found on a boat of this size.

Comfort and equipment Two cabins and four berths, saloon in light oak Alpi finish, galley with sink, cooker and 12 V refrigeration, heads with WC, black-water tank and three-way valve. Hot and cold water via a 25 l calorifier (electric and engine-fed). 220 V shore power, Cristec 40 A
