Bavaria Cruiser 32

63 000 € EX. VAT

Description

2011 Bavaria Cruiser 32 | 32ft (9.8m)

A genuinely well-kept example: this 2011 Bavaria Cruiser 32 has been cared for without compromise since she entered service and presents beautifully both inside and out. A private owner's yacht, with no charter history. Power comes from a Volvo Penta D1-30 diesel engine showing just 490 hours, a reliable and economical unit well suited to Mediterranean coastal work. The interior layout offers two double cabins and a heads compartment with electric toilet and hot water, giving her the versatility to handle weekend getaways and longer family holidays with equal ease. Her inventory has been carefully built up: a full Raymarine suite including chartplotter, autopilot, wind data and instrument displays, backed by an ICOM G423 VHF. The mainsail and genoa are both on furlers, making her straightforward to sail short-handed or singlehanded, while the electric windlass eases anchoring. The teak cockpit is fitted with a table, cushions and a deck shower, and she is also equipped with a passerelle and bathing ladder. Capacities: 147L water, 150L diesel, 60L holding tank. Currently berthed on the Côte d'Azur, half an hour from Nice airport. Viewings and sea trials welcome by appointment; full inventory and further images available on request.
