Description

SACS REBEL 47 2023 Delivered in 2023 and showing 119 hours, this SACS REBEL 47 is lying in Beaulieu-sur-Mer, viewing by appointment. Designed by Christian Grande, the Rebel 47 has established itself as the benchmark luxury maxi-RIB. Her 14-metre hull offers exceptional seakeeping, while the Volvo Penta D6-440 DPI installation with joystick and Dynamic Positioning System makes close-quarters handling effortless. She cruises at 26 knots and reaches 38 knots. The exterior is designed around life on board: carbon hard-top, a cockpit arranged around an electric table and a fully equipped outdoor galley, generous sunpads forward and aft, a toy garage and a hydraulic Transformer platform serving as both bathing steps and gangway. Below deck, two double cabins and a head with separate shower. Air conditioning, generator, bow thruster, Garmin electronics, underwater lighting and Fusion audio complete the specification. One owner from new, low hours and regular Volvo servicing. A beautifully kept example, ideally suited to the Riviera whether for private use or as a chase boat to a larger yacht.
