Description

SUNREEF 70 POWER – 2024 2024 Sunreef 70 Power, extremely well equipped and sold with her tenders, water toys and spare parts. With a beam of over 11 metres, she offers exceptional volume both inside and out. Her galley-down layout frees the entire main saloon for entertaining and lounging, in a warm American walnut interior with natural fabrics and earth tones. She reaches 18 knots and has a range of 2,000 nautical miles at 10 knots. Main features

- Length: 21.30 m (70 ft), beam: 11.50 m, draft at full load: 1.70 m
- Engines: 2 x MAN D2676 LE456, 850 hp each (625 kW), ZF V-drive gearboxes
- Cruising speed: 10 knots, top speed: 18 knots, range: 2,000 nautical miles at 10 knots
- Capacities: fuel 12,000 L, fresh water 2,400 L
- Generators: 2 x Kohler 20 kW
- Accommodation: 8 guests in 4 cabins (4 bathrooms) and 3 crew in 2 cabins (2 crew heads)
- GRP hull, Awlgrip finish, Esthec decking

Interior

- Bright galley below deck with large hull windows
- Main saloon with dining table to starboard and a large settee to port. Large sliding doors open the saloon onto the cockpit to form one continuous space
- Main helm station and wet bar in the saloon: sink with water purification tap (hot, cold, sparkling), refrigerator, ice maker, wine fridge, dishwasher
- Watertight door to the forward terrace
- Midship owner's suite, isolated by a private staircase: king-size bed, bathroom with double sinks and a large shower with seat
- 3 guest cabins with queen-size beds and private bathrooms
- Satin finish, American walnut, Dlise electric blinds, accent lighting
