Description

PRESTIGE 630 FLY 2016 "CIRTA" · SEAKEEPER 9 · 544 HOURS · BEAULIEU-SUR-MER ALLYACHT is pleased to present CIRTA, a 2016 Prestige 630 Fly, one of the most accomplished 19-metre flybridge yachts on the market, styled by Garroni Design and J&J Design. Powered by twin Volvo Penta D11 IPS 950 engines (725 hp each) with joystick control, she shows only 544 engine hours, a rare figure for a yacht of her size and age. CIRTA stands out for her premium specification: a Seakeeper 9 gyro stabiliser for roll-free comfort at anchor and underway, a Yacht Controller wireless remote for stress-free berthing, a Cummins Onan generator and Raymarine navigation electronics. The Prestige 630 offers the brand's signature layout: a full-beam owner's suite amidships reached by its own private staircase, a VIP cabin forward and a twin cabin, each with ensuite facilities, a separate crew cabin aft, and a bright main deck with galley aft of the helm and wide panoramic windows. The generous flybridge, swim platform and cockpit make her an ideal yacht for family cruising on the Riviera. UK flag, VAT paid. Lying in Beaulieu-sur-Mer, viewings by appointment with ALLYACHT.
