DESCRIPTION

FIART MARE 50 - REFIT 2023

This Fiart 50 is a unique opportunity on the market with two brand new engines, a new generator and transmissions guaranteed for two years.

This unit has been completely refitted in 2023.

From the engine room to the bathrooms to the tender garage, everything is like new and well maintained.

The carpet is immaculate and the synthetic teak is new.

Antifouling and polish carried out in spring 2023
New wrapp, propeller balancing and transmissions, all new and guaranteed for two years by Monaco Marine.

The exterior of the Fiart 50 is made up of three large separate areas, with a hydraulic table that converts into a sunbathing area.

Then there's the cockpit, with its full wetbar (large fridge, washbasin) and sporty, attractive design. The full awning lets you enjoy the sun all day long.

All the upholstery is new.

The large saloon and separate galley make life on board a pleasure. Three beautiful cabins, each with two bathrooms (electric toilets, separate
